THE STREET

The Street Theatre is Canberra's award-winning home of live storytelling and performance in the ACT. An essential part of Canberra's cultural and imaginative life The Street is a major investor in new theatre and music work in Canberra over the last decade.

A creative powerhouse The Street was the recipient of a 2020 Sidney Myer Performing Arts Award for outstanding achievement. We commission, develop, produce and present live performance work that talks to who we are and the world around us. We employ some of the finest and much-loved creative talent in the region as well as from Canberra's creative diaspora. The Street has a long-held commitment to ensuring our diverse community is reflected on our stage. As Canberra's leading professional theatre company, The Street actively contributes to Canberra's artistic vibrancy and community narrative.

Just as Canberra is considered a petri dish for new policies, ideas and cultural products within the broader national landscape, The Street serves a vital role as a key creative generator of new work and regenerator of place and community within the nation's political heart.

We acknowledge the Ngunnawal and Ngambri peoples as the Traditional Owners of the lands on which The Street Theatre stands and where we live and create. We recognise their continuing connection to land, waters, and culture, and pay our respects to their Elders past, present and future.
